We pride ourselves on offering first class health care and as such, we are always happy to receive any comments or suggestions about what we are doing well and what we can do to improve our service.

For non-urgent advice or treatment, send us your query via the E-consult banner on our website. Online Consultation requests can be made at any time and will be responded to as soon as possible, usually within 2 working days.

Alternatively, you can visit your local pharmacy for clinical advice on minor health concerns.

For urgent issues or out of hours, you can also call the NHS on 111 or go online to seek NHS advice 111.nhs.uk

We're delighted to celebrate achieving our Carer Friendly GP Practice status 🍀

Taking steps to identify and support hidden carers through patient text messages, information displays, and carer registration forms throughout the surgery.

With support from our Primary Care Coordinator, Susan Lee, we have also developed a Carer Information Pack and plans to introduce annual health and wellbeing reviews for unpaid carers.

👤 Meet Our Doctors in Training! 👤

We're proud to be a training practice at Park and Thorntree, helping to support the next generation of GPs. You might meet some of our GP Doctors in Training, Foundation Doctors, or Medical Students during your visit — they're all fully supervised and gaining valuable experience in family medicine.

Our current doctors in training are:

Dr Fatima Mohammed

Dr Jenny Linsley

Thank you to all our patients for giving them such a warm welcome — your support really makes a difference!
