July/August 2026

We pride ourselves on offering first class health care and as such, we are always happy to receive any comments or suggestions about what we are doing well and what we can do to improve our service.

For non-urgent advice or treatment, send us your query via the E-consult banner on our website. Online Consultation requests can be made at any time and will be responded to as soon as possible, usually within 2 working days.

Alternatively, you can visit your local pharmacy for clinical advice on minor health concerns.

For urgent issues or out of hours, you can also call the NHS on 111 or go online to seek NHS advice 111.nhs.uk

We are delighted to announce that together we raised an incredible £1,196.00 from our staff sponsored coastal walk in aid of **Macmillan Cancer Support.**

We would like to extend a heartfelt thank you to everyone who donated. Your generosity and support will help Macmillan continue to provide vital care and support to people affected by cancer.

**MACMILLAN.
CANCER SUPPORT**

 Meet Our Doctors in Training! 

We're proud to be a training practice at Park and Thorntree, helping to support the next generation of GPs. You might meet some of our GP Doctors in Training, Foundation Doctors, or Medical Students during your visit — they're all fully supervised and gaining valuable experience in family medicine.

Our current doctors in training are:

Dr Fatima Mohammed

&

Dr Jenny Linsley

Thank you to all our patients for giving them such a warm welcome — your support really makes a difference!

Appointments

At Park and Thorntree Surgery, we offer a range of appointments to meet your healthcare needs, including both same-day urgent appointments and routine appointments that can be booked in advance.

Appointments can be arranged by calling our reception team on **0300 111 2300**, through our online services, or by submitting an **eConsult** via our website. eConsult allows you to contact the practice online at a time that suits you and helps us direct your request to the most appropriate member of our team.

For more information and to access our online services, please visit our website: www.parksurgery.co.uk.

Why Choose Pharmacy First?

-  **Quick & Easy**
Walk in, get help, and carry on with your day.
-  **Flexible for Busy Lives**
No need to book time off work or wait for a GP.
-  **Perfect for Parents**
Get fast treatment for common childhood illnesses.
-  **Trusted NHS Service**
Pharmacists are trained healthcare professionals.
-  **Prescriptions are free**
For those who don't pay for NHS prescriptions.
